

Invitation

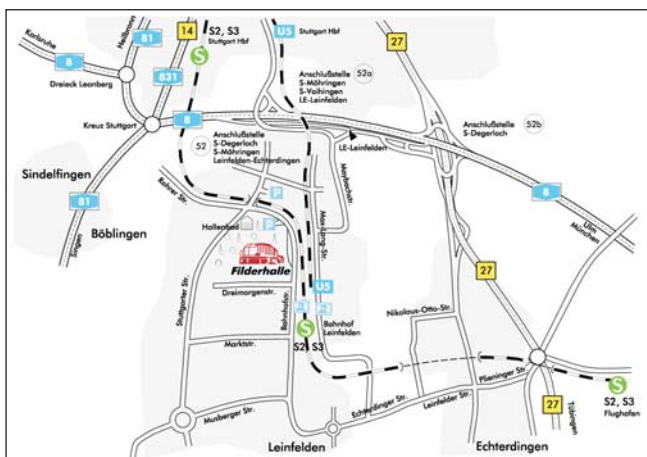

to attend the
PERMAS Users' Conference
on
April 22 - 23, 2010
in
Stuttgart

INTES cordially invites you to attend the forthcoming 10th PERMAS Users' Conference. An interesting and diversified program of presentations provides a perfect opportunity to hear about new applications and new software developments. As usual, sufficient time will be allocated to exchange experiences with other users and to discuss your points of interest with developers of PERMAS.

Almost all contributions are presented by the PERMAS user community and addresses an international audience. So, the presentations will be held in English or German and interpreted simultaneously. The final program of the conference will be published in January 2010 due to a few missing confirmations of presenters.

An accompanying exhibition will highlight the environment of PERMAS applications.

Benefit from the conference and get all news on PERMAS. This time, there is no conference fee!

Conference date

Thu, April 22 and
Fr, April 23, 2010

Registration

Please register by April 8, 2010, using the attached form. A letter confirming your registration will be instantly forwarded to you and will include additional information about the venue.

No conference fee

The conference is free of charge. All participants get the conference material, beverages, coffee breaks, attendance in the presentations, lunch on both days and a social event in the evening free of charge.

Cancellation policy
