

Invitation to attend a PERMAS Training before PERMAS Users' Conference on April 9th to 11th, 2018 at INTES office.

In the context of the 14th PERMAS Users' Conference on April 12th to 13th, 2018, INTES also invites you to attend a small selection of training courses on PERMAS and VisPER.

The training courses will take place at the new INTES office.

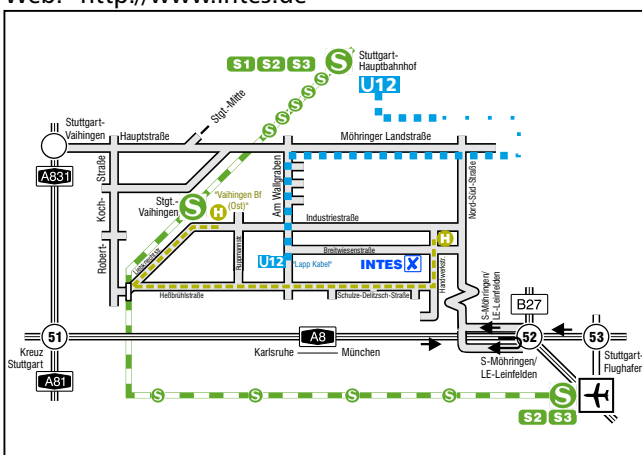

The selection combines general introductions to VisPER and optimization with PERMAS as well as a new training course on PERMAS advanced modeling features.

These training courses will be held in English.

This is a perfect opportunity to combine the PERMAS Users' Conference with a training course of a few very interesting analysis topics.

In case of questions, please contact the **Conference Secretary**:

Claudia Krauss
 INTES GmbH
 Breitwiesenstr. 28
 D-70565 Stuttgart
 Tel.: +49-711-784 99-30
 Fax: +49-711-784 99-10
 Email: um2018@intes.de
 Web: <http://www.intes.de>

Agenda April 9th, 2018: VisPER, the graphical user interface of PERMAS

8:30 a.m. to 5:00 p.m.
 Contents: Introduction, Handling, Structure, Variants, Generation of Nodes and Elements, Postprocessing, New in Version 6, Assembly Wizard, Sampling Wizards, PressfitWizard

This course is free-of-charge.

Agenda April 10th, 2018: Optimization with VisPER and PERMAS, an Overview

8:30 a.m. to 5:00 p.m.
 Contents: Topology optimization and its constraints, Sizing and Parametric Shape Optimization, Bead Design, Position Optimization, Multimodal Optimization, Freeform Optimization.

This course is free-of-charge.

Agenda April 11th, 2018: PERMAS Advanced Modeling Features

8:30 a.m. to 5:00 p.m.
 Contents: MPC Cond., Press fit, Inertia Relief, Spotwelds, Submodeling Technique, Temperature Mapping, Parametrization of Models, Sampling, Auxiliary UCI Commands, Exercises.

The fee for this course is EUR 360 per attendee.

Registration

Please register by March 26th, 2018, using the attached form. A letter confirming your registration will be instantly forwarded to you.

Training fee

The training fee on April 11th, 2018 is EUR 360. The other two days are free-of-charge. VAT must still be added to all fees, if applicable. The fee contains training files with printed slides, beverages, coffee and lunch. There is a maximum number of attendees. If attendees are booking all three training courses and the Users' Conference, the training fee is reduced to EUR 320.

Cancellation policy

In case of cancellation after the registration deadline up to 7 days before the start of the training, 25% of the participation fee will be charged. In case of cancellation later or if the participant does not appear, 100 % of the participation fee will be charged.

Course language

The language of the courses is English.

Registration for training courses

Please forward to:

INTES GmbH, Breitwiesenstr. 28, D-70565 Stuttgart

Fax: +49-711-78499-10 or

E-Mail: um2018@intes.de

I would like to register for the PERMAS Training on April 9th-11th, 2018 (the registration is binding):

The training fee on April 11th, 2018 is EUR 360. The other two days are free-of-charge. VAT must still be added to all fees, if applicable. The fee contains training files with printed slides, beverages, coffee and lunch. There is a maximum number attendees. If attendees are booking all three training courses and the Users' Conference, the training fee is reduced to EUR 320.

In case of cancellation after the registration deadline up to 7 days before the start of the training, 25% of the participation fee will be charged. In case of cancellation later or if the participant does not appear, 100 % of the participation fee will be charged.

I book the following training courses:

- VisPER on April 9th, 2018
- PERMAS Optimization on April 10th, 2018
- PERMAS Advanced Modeling Features on April 11th, 2018
- I would appreciate your assistance in my hotel arrangements. Arrival _____, Departure _____
