

Call For Papers

Call for Papers for the 15th PERMAS Users' Conference on 23 and 24 April 2020 in Stuttgart

The next PERMAS Users' Conference in 2020 will take place at the Filderhalle in Leinfelden-Echterdingen near Stuttgart. After a reconstruction, there is a modern convention hall at a beautiful location.

You are cordially invited to give there a presentation on your applications of PERMAS and VisPER and on your experience in using the software. Both new applications and proven simulation technologies have its interesting aspects worthwhile to be presented to a larger audience. We are looking forward to receiving your proposals and ideas.

INTES will do its best to create a pleasant atmosphere at the conference. Altogether, it is hoped that we will have an exciting user meeting and we are looking forward to welcoming you in Stuttgart.
