for the 17th

PERMAS Users' Conference

on

April 25 and 26, 2024

in

Stuttgart

INTES celebrates 40 years and cordially invites you to the PERMAS users' conference at the Mercedes-Benz Museum, Stuttgart.

You are cordially invited to give a presentation on your applications of PERMAS or VisPER and on your experience in using the software in different simulation workflows. Both new applications and proven simulation technologies are valuable topics to be presented to a broader audience. We are happy to receive your proposals and to discuss ideas with you.

INTES will do its best to create a pleasant atmosphere at the conference. We hope for an interesting and stimulating event and look forward to welcoming you to Stuttgart.

Moreover, the event is a unique opportunity for a face to face exchange of experiences among the participants and by a direct contact to the software editors.

Conference Date

Thu., April 25 and
Fri., April 26, 2024

Venue

Mercedes-Benz Museum
Mercedesstraße 100
D-70372 Stuttgart

Language

All lecturers are kindly asked to give their presentation in English.

Topics

All applications with PERMAS/VisPER are welcome, like in statics, dynamics, acoustics, heat transfer, optimization. INTES will also contribute new applications and will present recent developments of the coming PERMAS Version 20.

Presentation

Duration 20 to 25 minutes with subsequent short discussion.

Presentation Slides

In English, digital form (PowerPoint, pdf), 16:9 page format, max. page size DIN A4 landscape (1 slide per page), the logo of the Users' Conference is available for presenters, presentation slides are needed to prepare the conference proceedings, a manuscript is not required.
