

Invitation to the **PERMAS Users' Conference** on **April 25 and 26, 2024** in **Stuttgart**

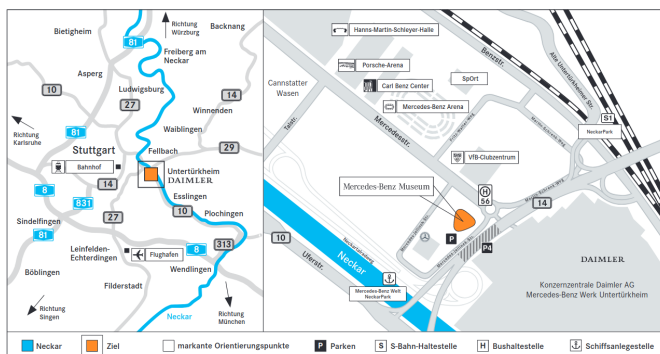

INTES celebrates its 40th anniversary and cordially invites you to the 17th PERMAS Users' Conference at the Mercedes-Benz Museum, Stuttgart.

The lecture program represents a broad spectrum of interesting applications. The new PERMAS release, version 20, and its new features will be presented. Moreover, the event is a unique opportunity to exchange experiences among the participants, for networking and to get in touch with the developers.

An accompanying exhibition offers the opportunity to discuss a broader spectrum of the simulation workflows with partners.

The program is designed with and for you and addresses an international audience. The conference language is English.

We are happy to meet you!

Registration

Please use [uc2024](mailto:uc2024@intes.de) to register until April 5, 2024. You will immediately receive a confirmation.

Conference Fee

EUR 490.- For three paying participants of the same company, a fourth one may participate free of charge if registered together. In this case, the nominal conference fee will be charged. For university members, the conference fee is EUR 250.- (social event EUR: 110.- p. p.). One speaker per presentation and organization is free of charge. Prices plus VAT. The prices include conference documents, coffee breaks, the participation in the lectures, two lunches and a social event.

Resignation

For resignation until March 17, 2024, 50% of the conference fee will be refunded. For a later resignation, no refund is possible. Of course it is possible to assign a different representative.

Vegetarian Food

Please indicate during registration if you prefer vegetarian food.
